#### Steaua: Height is beauty.

Steaua è il nuovo appendiabiti di AlbaComponents.

Estremamente funzionale, grazie al **semplice sistema di incastro** dei vari elementi, è rapido da montare e smontare.

Il **tubo in metallo da 40 mm**, disponibile in 4 diverse finiture, contribuisce a donare a Steaua un design snello e slanciato.

Di grande praticità sono la **testa girevole** e il comodo **portaombrelli**.

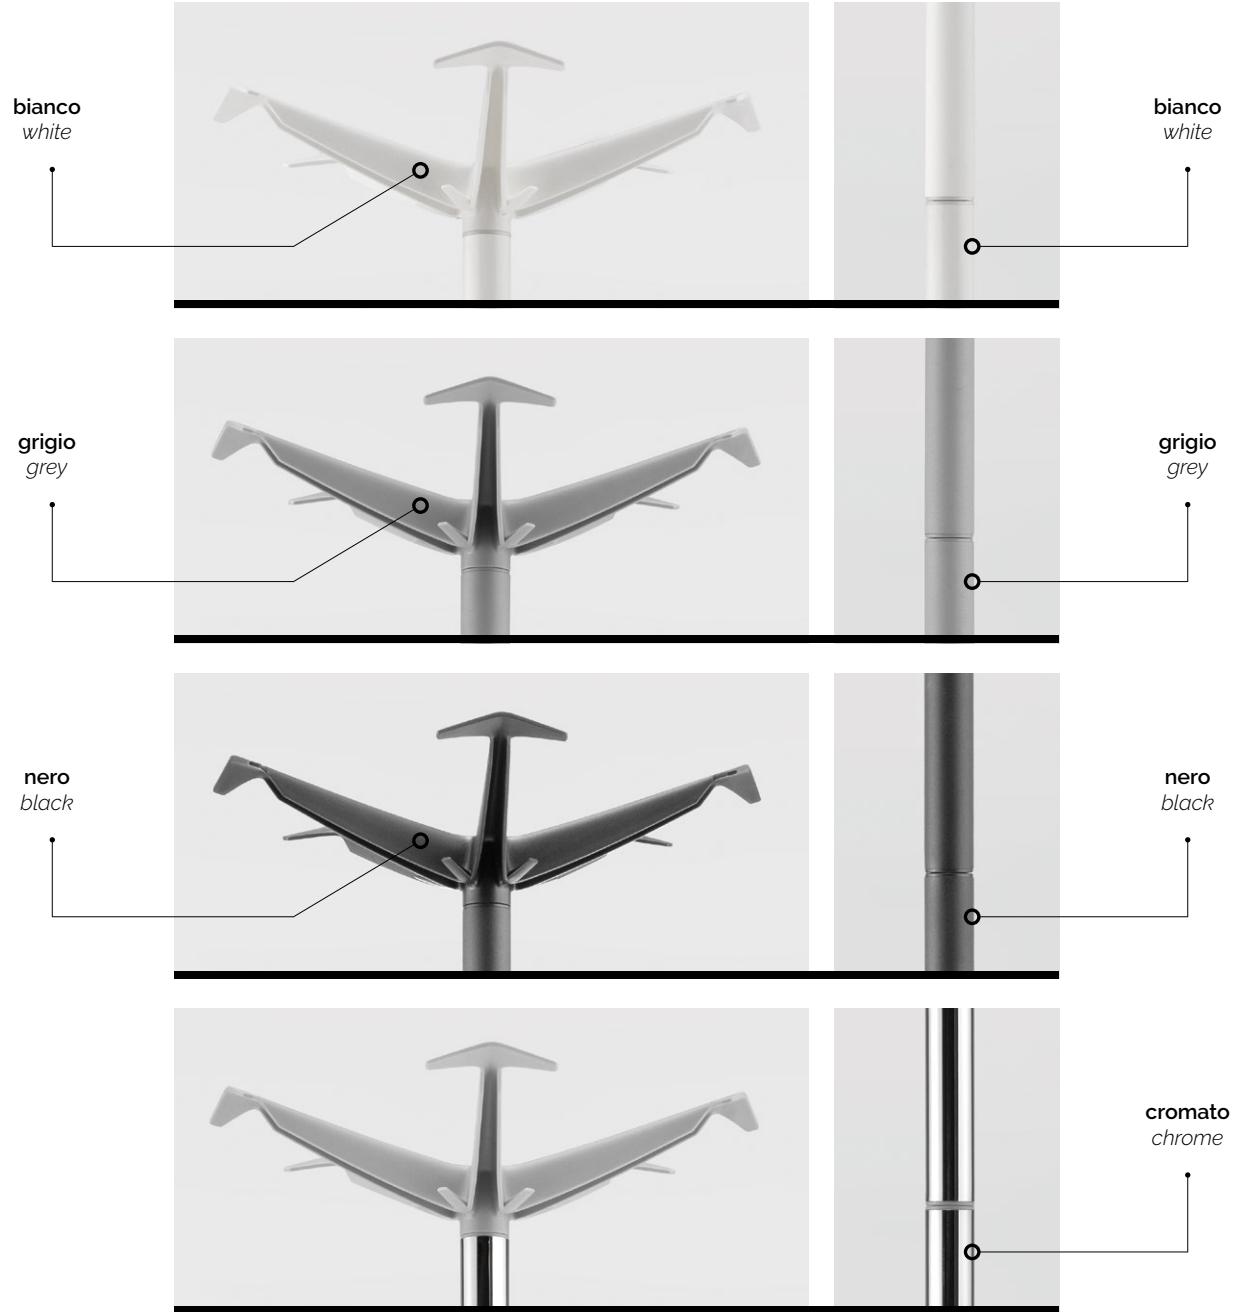

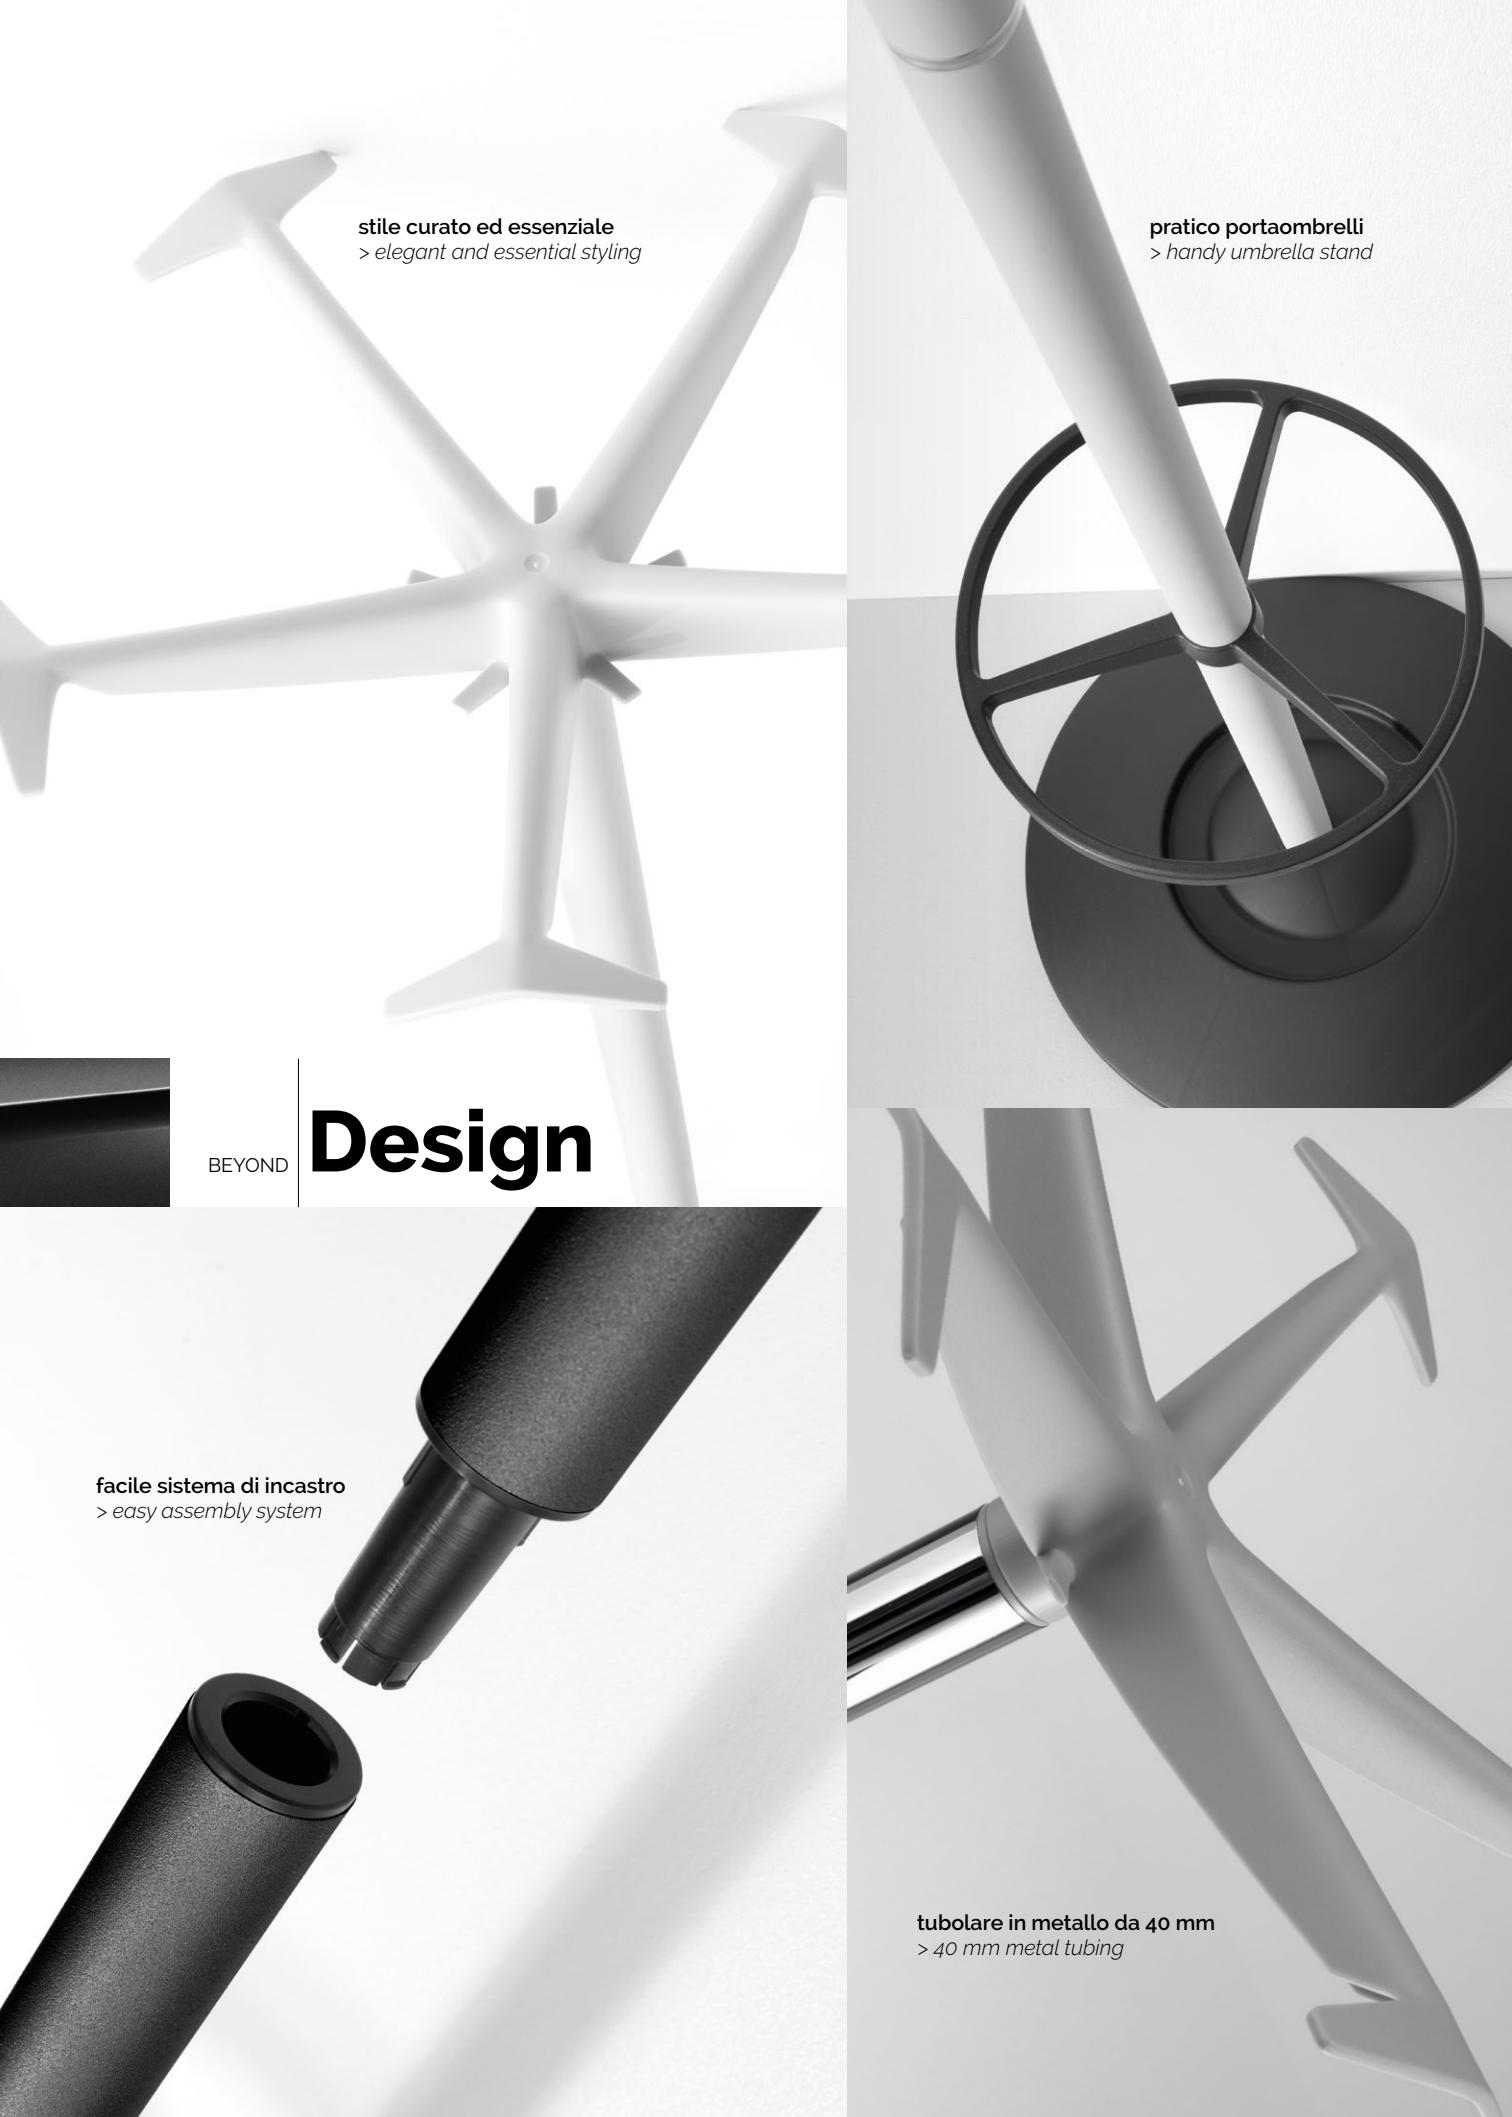

#### Steaua: Height is beauty.

Steaua is the new coat stand by AlbaComponents.

Extremely functional: the **simple interlocking system** of the elements make it quick to assemble and disassemble.

The **40mm metal tube** is available in 4 different finishes and lends Steaua a slimline and slender design.

The **swivel head** and handy **umbrella stand** are superbly practical features.

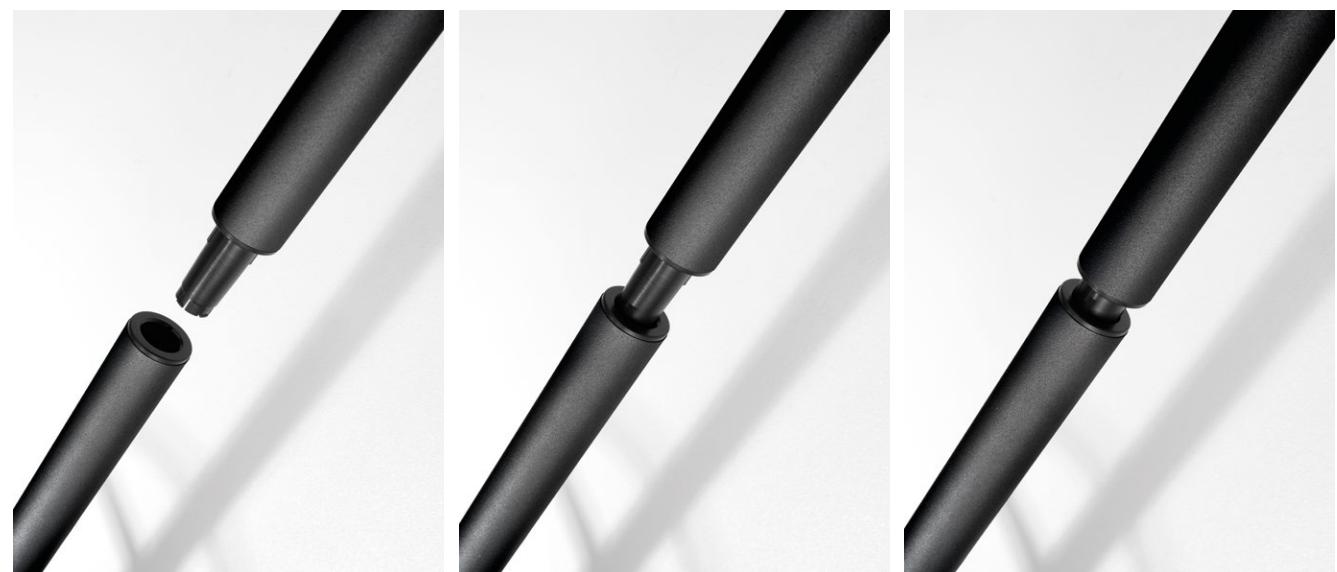

4 diverse finiture per il tubo  
in metallo, abbinate alle parti  
in plastica disponibili in 3  
colori.

Metal tube available in 4  
different finishes which match  
the 3 colours available for the  
plastic parts.

**Steaua** coat hanger plus

Un design curato nei minimi dettagli. Grazie ad un **semplice sistema di incastro**, le 3 sezioni del tubo di **Steaua** si possono assemblare e smontare in pochi secondi, con un semplice gesto.

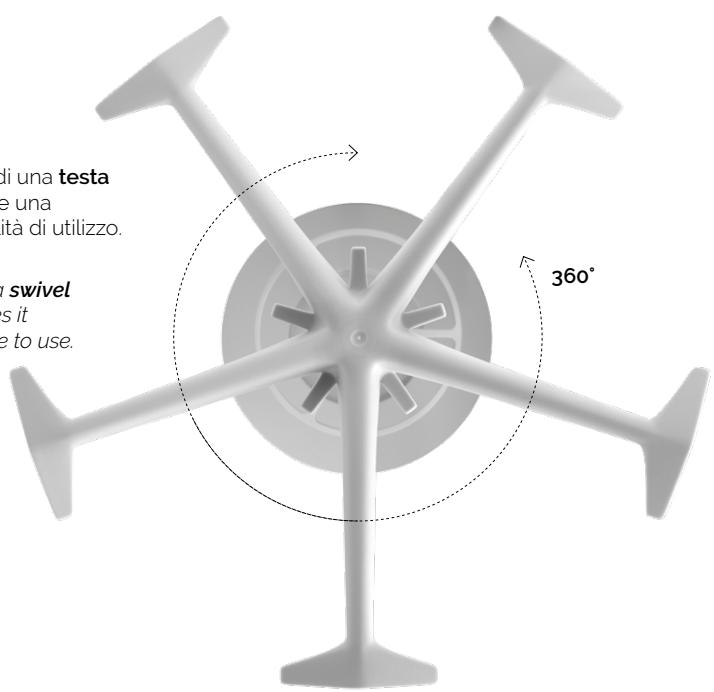

Particolare attenzione è stata data anche al **sistema di imballo**, in cui ogni componente occupa pochissimo spazio.

*Designed with meticulous attention to detail. The **simple interlocking system** means **Steaua's** 3 tube sections can be easily assembled and disassembled in a just few seconds.*

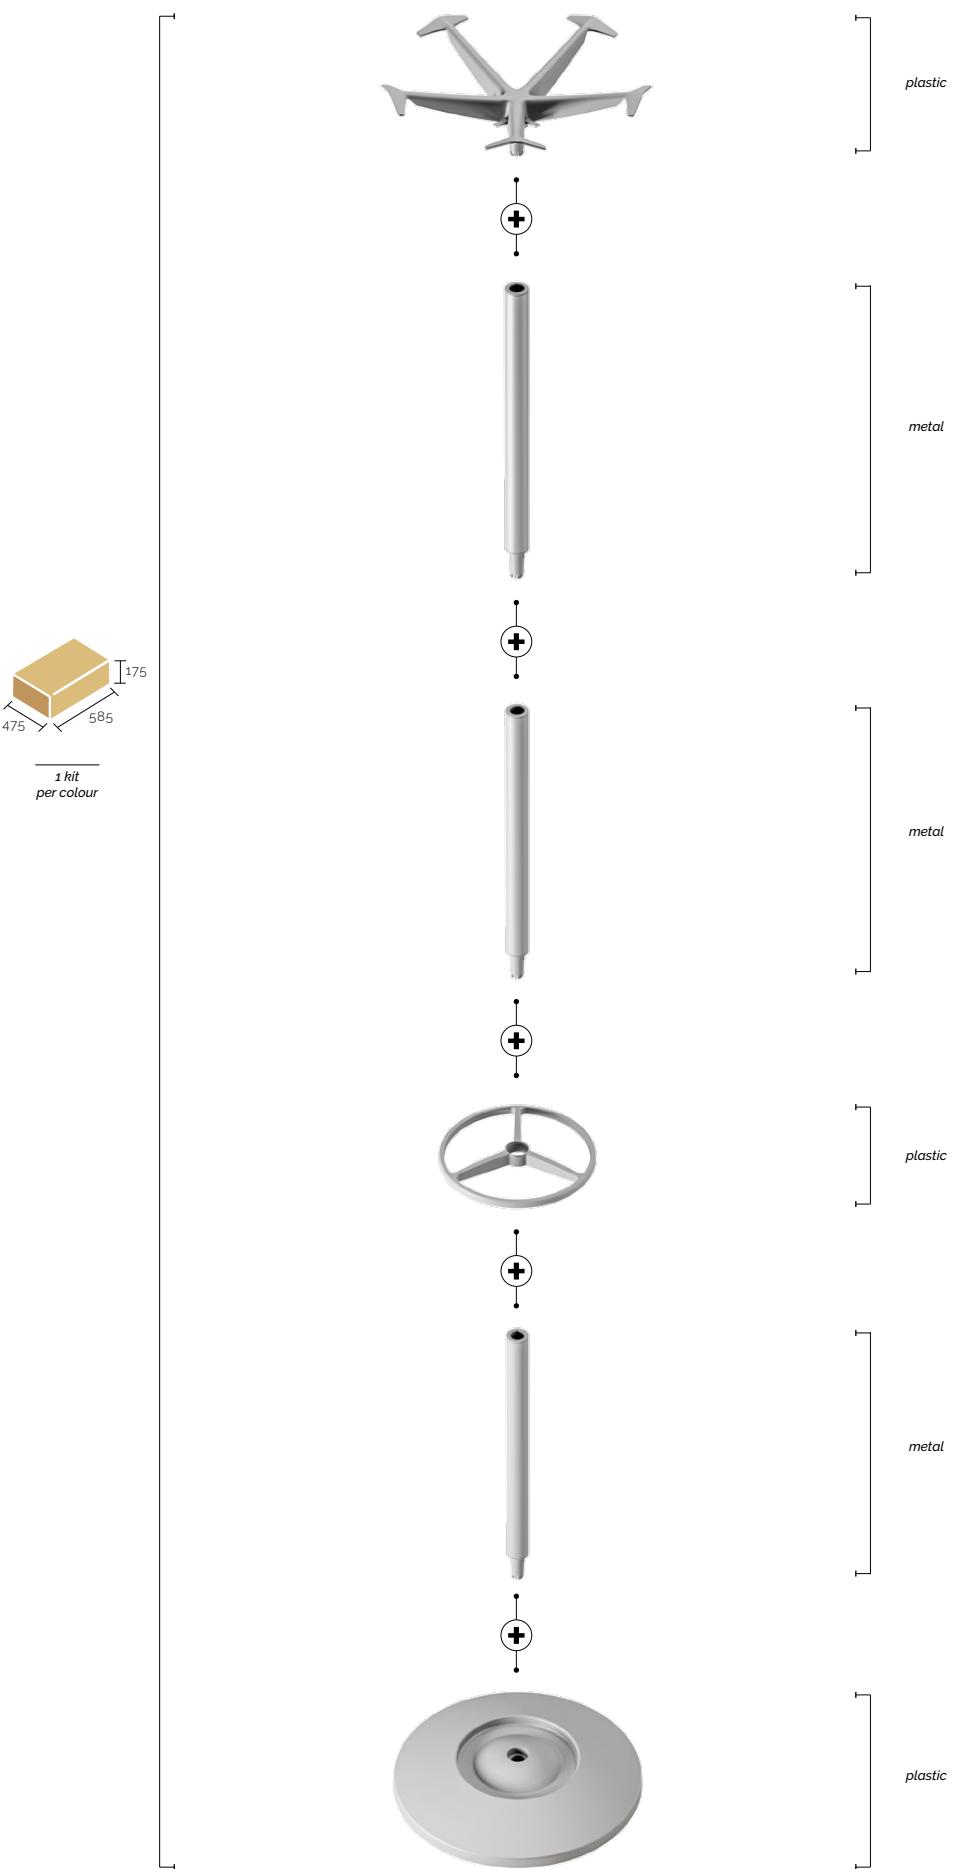

*Special attention has also been paid to the **product packing system**, ensuring each component takes up very little space.*

**Steaua** dispone di una **testa girevole** che offre una maggiore versatilità di utilizzo.

**Steaua** features a **swivel head** which makes it extremely versatile to use.
